How active are the Swedish on the Spanish Real estate market? How much do they pay for their properties?

According to the “Consejo General del Notariado” in Spain, the Swedish are buying 15 properties per day, or about 4.463 for the last 12 months up to June 2018, in Spain. It is nearly 9 times more than in 2008. The price they pay on average is €2.202 per square meter. They pay just a little bit more than other foreigners buying properties in Spain. Check the evolution over the last 12 years.

Of course, depending on the region, price paid by foreigners per square meter is changing a lot. The Balearic Islands is the most expensive region if you want to buy a second home in Spain. Another factor factor to take into account for the price is if the property is a new build property or a resale
